The **Women of Power & Influence Awards** celebrates extraordinary women leaders on the frontline of progress.

Held at a premier New York City venue, the **Women of Power & Influence Awards** is attended by 400 to 500 business leaders from the worlds of finance, business, technology, and law, and supported by many Fortune 500 companies.

Our awardee alumnae join a network of over 100 exemplary business leaders, financiers, entrepreneurs, and innovators. NOW-NYC provides further networking opportunities for Women of Power & Influence alumnae with yearly events that focus on current issues affecting women in business.

Women of Power & Influence honorees share a commitment to advancing women's opportunities, so that individual women can fulfill their potential and women collectively can advance professionally, economically and socially.

The proceeds from this annual dinner gala support NOW-NYC and Women's Justice NOW in the critical work of advocating for and improving the lives of New York women and girls.
